Primary and elementary schools in Wise County with kindergarten classes will start taking applications for the 2019-2020 Pre-K Program starting Thursday, March 7th at 1:00 p.m. Parents should apply at the nearest school during the application period which begins Thursday, March 7th and runs through the last school day for the current year. Students must be four years old on or before September 30, 2019, to be eligible for the program. Parents should bring the child's birth certificate (or other proof of birth date) and income verification documents (tax returns, W-2 forms, social security/unemployment benefits, or pay stubs) with them to the school. Students need to be potty trained. Children of the Wise County School Division's employees are not given special consideration of any kind, but are welcome to apply through the regular procedures.

The Pre-K Program offers academic and enrichment experiences for four-year-old children that prepare them for success in kindergarten. Children who are accepted for the program will be attending school for the full school day each day school is in session beginning in August. Transportation is furnished by Wise County's regular school buses.
